

RADIO FREE MINTURN

Radio Free Minturn (RFM) is Eagle Valley's first and only community radio station. Its FM stereo signal, broadcast from Dowd Junction, will reach listeners in the Upper Eagle Valley. We are determined to build a station that both delivers a great public service and operates at a low cost.

RFM needs your support to help cover station construction costs including purchasing and installing FCC approved broadcasting equipment and associated legal and administrative expenses with building a community radio station.

Radio Free Minturn, Inc. is a 501 (C) 3 non-profit corporation and contributions are tax deductible.

For more information, please visit our website www.minturnradio.org or email info@minturnradio.org. Thank you for your consideration.
